

## Specification Safety knife (S070)

**Safety knife**  
**Product Code: K8907**

The Penguin 1000 is a compact, lightweight, push and pull action safety knife with angled twin blade entries and 'opposing' slopes to reduce friction. This, combined with a blunt tape cutter, is an economical and efficient disposable safety knife. Moulded in a metal detectable plastic with stainless steel blade and tape cutter. Suitable for direct contact with food (See DOC-SK001)

### Key attributes
